9. TERMS and CONDITIONS OF FUNDING (where applicable for internal transfers or transfers between PI's)

- Terms and Conditions of the Funding, as may be appropriate, including commitments to match external research programs, as applicable. A provision for the distribution of any residual funds that exist at the expected project completion date may also be included in the terms and conditions of the funding.
- Eligible expenses are normally, but not limited to, those allowed by Federal Tri-Council Agencies.
- A direct link and benefit to the research must be demonstrated by the account holder in order for an expense to be processed.
- Additional terms may apply and may accompany sponsor or source paperwork.

TRANSFERS: all expenditures on transfer accounts must: (1) comply with University policies and procedures, as above and (2) directly support the original purpose, terms and conditions of the award.

10. MEANING OF SIGNATURES (per McMaster Research Accounts Policy)

As grant and/or account holder and/or primary signing authority for this account (to be established in my name if/when funds are received), I confirm that the declarations made previously herein and acknowledge and accept my responsibility:

- 1. to read, understand, and comply with all applicable sponsor policies, regulations, terms and conditions of award; and all University policies governing research projects, including, but not limited to, budget control, travel, ethics, and overhead;
- 2. to authorize all expenditures to be charged against my projects and/or delegate (see below) this authority at my discretion;
- 3. to inform persons delegated with signing authority on my research accounts of applicable sponsor and University requirements (as outlined in 1. above) and of their associated responsibility for compliance;
- 4. to obtain any additional approval signatures, which are required prior to making financial commitments;
- 5. to authorize and ensure delegate(s) authorize only allowable expenses against my research accounts, which may involve consultation with the applicable Research Finance Office and/or the sponsor;
- 6. to review monthly account statements to identify discrepancies and/or problems and to take corrective action in consultation with the applicable Research
- 7. to reimburse to the applicable research account(s) any expenditures authorized by me or my delegates if disallowed by the sponsor;
- 8. to eliminate any unauthorized over expenditures in accordance with the Budget Control Policy for Research Accounts, which, if all other alternatives have been exhausted, requires personal responsibility; and
- 9. to ensure all certifications are in order and comply with McMaster University and Federal regulations covering the ethical and safe conduct of research.
